

GOOSE RIDGE

ESTATE WINERY

2006 g³ ESTATE RED WINE GOOSE RIDGE ESTATE VINEYARD COLUMBIA VALLEY

GOOSE RIDGE ESTATE VINEYARDS AND WINERY is a family-owned and operated winery dedicated to limited production, handcrafted wines from select, estate-grown grapes. The Monson family's vineyard is planted on a south-facing slope in Washington's Columbia Valley adjacent to Red Mountain that consistently yields rich, ripe grapes. The family has farmed in the Columbia Valley for four decades and is known for their commitment to quality. Goose Ridge Vineyard is built on that tradition.

WINEMAKER

Acclaimed winemaker Charlie Hoppes has his pick of the vineyard. Fermenting and aging wines in small lots from a handful of blocks carefully selected for their exceptional character and complexity is exactly what the Monsons had in mind for Goose Ridge when they founded the winery in 1999.

VINEYARD

Goose Ridge Estate Vineyard was planted in 1999 by the Monsons, a Columbia Valley farming family for nearly five decades with a reputation for thoughtful, high-quality farming practices. When the family decided to plant grapes on a sun-drenched hill adjacent to Red Mountain, they did so under the guidance of Dr. Walter Clore, considered by many the "father" of the Washington wine industry. Dr. Clore was impressed by the site's gentle, south-facing slope and the growing area's warm temperatures. He encouraged the Monsons to plant vineyard rows north-to-south to maximize sun exposure, and he also advised the family to plant the site in small blocks to facilitate estate-grown wines managed for low yields through careful pruning and thinning practices. As a result of the vineyard's attention to detail, grapes ripen evenly and the wines are consistently ripe, rich and fruit-forward.

VINTAGE

The 2006 growing season started with a cooler than average spring, but summer temperatures warmed considerably giving way to a vintage with high heat accumulation on par with the sensational 2003 season. Temperatures cooled in the fall just enough to slow ripening, giving the grapes extra time on the vine to develop good acidity and reach full maturity. The result is a vintage that produced wonderfully ripe, balanced wine, as exemplified here.

WINEMAKER'S NOTES

Our 2006 Red Wine (g3) is a full bodied wine with deep garnet color and a lavish richness. Black berry and dark cherry flavors blend with vanilla and toasty oak notes to create a round intense mouthful. Aged for 20 months in French and American oak barrels this wine is a blend of 49% Syrah, 35% Merlot and 16% Malbec.
