ESTATE WINERY

## APPLE CIDER

**GOOSE RIDGE ESTATE VINEYARDS AND WINERY** is a family-owned and operated winery dedicated to limited production, handcrafted wines from select, estate-grown grapes. The Monson family's vineyard is planted on a south-facing slope in Washington's Columbia Valley adjacent to Red Mountain that consistently yields rich, ripe grapes. The family has farmed in the Columbia Valley for four decades and is known for their commitment to quality. Goose Ridge Vineyard is built on that tradition.

### ORCHARDS

The Monson family has been growing apples in the Yakima Valley since the 1950s. They are well-regarded for their modern growing techniques and high quality fruit. Careful attention to natural resources and the seasonal growing conditions (much in the same way grapes are treated) allows for maximum production of exceptional fruit every year.
